DECLARATION OF PERFORMANCE

FOR CONCRETE SPACER LABELED AS

DP-5

1. Valid technical specification
   STS-12/0019 valid from 6.8.2022 to 5.8.2027

2. Intended purpose of use:
   Providing the prescribed thickness of the protective layer of concrete above the reinforcement.

3. Declared properties of the construction product:

Essential characteristics	Performance	Assessment/Test Standard
Reaction to fire	Class A1	Class according to Commission Decision no. 96/603/CE
Declared protective layer of concrete over the reinforcement	Cv = 50 mm	STS-12/0019
Load capacity	≥ 3,0 kN	STS-12/0019
Rollover resistance	Class L2	STS-12/0019
Resistance to deformation	Class L2	STS-12/0019
Resistance to temperature fluctuations	Class T	STS-12/0019
Durability	Meets the requirements	STS-12/0019
